B2B Bed Frame Size Confirmation Checklist

Before requesting a quotation, sample or new product development, provide the information currently available. Confirm every item before production approval.

Apexnix - Global Bed Frame Size Guide for B2B Buyers

www.apexnix.com/insights/bed-frame-size-guide-us-uk-eu/

BUYER SIZE BRIEF

☐ Target country or region	☐ Headboard and footboard direction
☐ Sales channel and intended use	☐ Support system, slats, centre support and leg configuration
☐ Retail size name	☐ Material combination, such as metal structure or bamboo frame with steel slats
☐ Nominal mattress width and length	☐ Finish and colour direction
☐ Measurement unit: inches, centimetres or millimetres	☐ Hardware and assembly requirements
☐ Required inner mattress-fit dimensions	☐ Packaging, labels and instruction requirements
☐ Maximum acceptable overall product dimensions	☐ Reference drawing, image, sample or product link, if available
☐ Bed height and under-bed clearance	☐ Required market testing or compliance review, if applicable

PROJECT NOTES / OPEN POINTS

REFERENCE NOTE

The dimensions in this guide are commonly referenced nominal market sizes and are provided for early B2B discussion. Actual products, manufacturing tolerances and local retail conventions can vary. Final compatibility must be confirmed through the buyer's requirements and the approved product specification.
